This list of 95 common nouns first appeared in Dr. Edward Dolch's book, *Problems in Reading*, published in 1948. Dolch also created lists of 220 service words (non-nouns) that beginning readers should learn to recognize on sight. Service words include connecting words like “a”, “the”, and “and”, as well as common adjectives, adverbs, and so on. According to Wikipedia, the original Dolch lists are now out of copyright.
